

Our Easter Hopes

For Christians, Easter celebrates Jesus dying on the cross for us and being raised from the dead. This assurance that God loves everyone gives hope to those who trust him.

Spring is the time of year when everything in nature is changing and promising new life and new hope. You are invited to write you hopes – whatever they may be – on the heart. These will be laminated and hung up outside St James' church in Silsoe from Easter Day as a sign of hope for our community.

Colour in
this heart if
you'd like to.

Write your hopes
or a prayer on
this heart.
You don't need to
include your name.

Return the completed sheet to:

Revd David Payne, The Vicarage, Fir Tree Road, Silsoe, MK45 4EA by Friday 2nd April.

There will be a special post box for you to use by the front door.
